DIARY NOTES

DD/S *W*

4 May 1962

25X1A9a 1. I have arranged for a meeting at 2:30 p.m. on Tuesday, 8 May, with Colonel Beerli and [REDACTED] to discuss the integration of the logistics system of DPD with that of the Agency. *H*

25X1A 2. I talked to [REDACTED] about his prospects for finding a job, and I advised him that he must find himself a job by 1 June 1962 or accept one of my choice as a grade GS-14.

25X1A9a [REDACTED] *H*

25X1A9a 4. I authorized [REDACTED] to arrange for the transfer of \$300,000 to the [REDACTED] so that we could proceed with the [REDACTED] contract. 25X1A2g

25X1A9a 5. Jack Earman telephoned to say that he would like two persons nominated from the Deputy Director (Support) to serve on the IG's staff. (If we approve of Mr. [REDACTED] which I intend to do, this will mean one more nomination is to be made.)

25X1A5a1 6. Ting Sheldon telephoned to say that he had gone over the NPIC situation thoroughly with Art Lundahl and his people. They said that they will not request any further changes; in fact, it is their position that they have not asked for a change since 19 November 1961 and that it is the responsibility of DD/S to handle [REDACTED] (As I understand it, they do not accept responsibility for the systems changes which [REDACTED] has recommended since 19 November.) *H*

* * * * *

25X1A9a 7. I asked John Tietjen to take another look at [REDACTED] who had been sitting with him, told me that he didn't think that Mr. [REDACTED] was 25X1A9a at all well. [REDACTED] gave me a similar report some weeks ago.

25X1A9a 8. John Tietjen briefed me on some very sensitive cables from [REDACTED] alleging 25X1A6a that one of our doctors there has been making improper use of narcotics. A cable has gone to the Chief of Station asking for his comments and suggestions.
